CARD is sponsoring a drawing of **40 prizes** for churches that complete their annual report and answer the research questions.

In preparing to submit your church information, it would be helpful to read the following CHURCH YEARBOOK INSTRUCTIONS. New this year is a help line run by CARD, more information is below.

## Ethical Boundaries & Anti-Racism 2020 Schedule

Dear Ministers,

A 2020 full schedule for the Anti-Racism and Ethical Boundaries training workshops for Ministers has been finalized. Registration is open for the upcoming March trainings.

We realize that the first ones are coming up quick, so we wanted you to also have the full schedule so that you could save the date for one of the next trainings. More information and registration for all of these trainings will be online as available.

These training workshops are designed for new and current ministers wishing to gain or maintain standing with the Christian Church in Ohio. The Ohio Policies and Criteria for the Order of the Ministry, requires ministers to complete a training in both anti-racism and ethical boundaries every five years in order to remain in good standing. United Church of Christ and other Ministers are also welcome to attend for their denominational requirements.

*Peace and God Bless,
