The success and sustainability of the United Church of Christ's national ministries is relying on your church's contribution to basic operating support and mission. ### Ethical Boundaries & Anti-Racism 2020 Schedule

Dear Ministers,

A 2020 full schedule for the Anti-Racism and Ethical Boundaries training workshops for Ministers has been finalized. Registration is open for the upcoming March trainings.

We realize that the first ones are coming up quick, so we wanted you to also have the full schedule so that you could save the date for one of the next trainings. More information and registration for all of these trainings will be online as available.

These training workshops are designed for new and current ministers wishing to gain or maintain standing with the Christian Church in Ohio. The Ohio Policies and Criteria for the Order of the Ministry, requires ministers to complete a training in both anti-racism and ethical boundaries every five years in order to remain in good standing. United Church of Christ and other Ministers are also welcome to attend for their denominational requirements.

*Peace and God Bless,  
Christian Church in Ohio*

### Online Lenten Retreat

The struggle to make change is real. We intend to change habits that are no longer serving us, our loved ones, our work, but find ourselves simply doing what we've always done because we've always done it. Join Rev. Nicole Havelka, Registered Yoga Teacher, to use this season to move in a different direction.
